

## CONTRACEPTIVE & SEXUAL HEALTH SERVICE INFORMATION for our patients

Getting the right advice at the right time about routine & emergency contraception, sexual health matters & screening, HIV, unplanned pregnancy or psychosexual & sexual dysfunction counselling when needed, is key.

Emergency contraception is also available from many local pharmacies (promptly); ring NHS 111 on 111 for info.

**All clinics now provide contraceptive implant + IUD/IUD insertions and removals.**
