Thank you for your interest in our current vacancies.

Washway Road Medical Centre is a centrally located, busy, friendly GP practice, providing good quality medical care to its 16,260 patients. The practice is approved to train future GPs and doctors as part of their overall medical training as well as teaching medical students. We are therefore focussed towards on-going education and learning, supporting all learners in the changing healthcare environment.

It is our ethos to treat others how we ourselves would wish to be treated, so it is important that anyone joining our team shares similar values. Our website www.wrmc.org.uk gives more information about our services, facilities and team. Training will be provided/supported in order to meet job description criteria.
